

CAPIPARTS VALUES

Act with Integrity

- Always doing the right thing
- Consistency in our actions, values and principles
- Respect for one another

Encourage Innovation

- See possibilities, seek opportunities, consider all options, be smart
- Think contemporary, convention is not always correct
- Constant improvement of offering for customers

Build Partnerships

- Achieving together, trusting each other
- The whole is greater than the sum of the parts
- Create & sustain true partnerships

Involve Stakeholders

- Communicate externally and internally
- Maintain perspective, celebrate success
- Protect their interest and grow their wealth

Always Deliver

- Don't be afraid, give it a go. Be open to opportunities
- Make it happen, results count, exceed expectations
- Tomorrow must be planned for today
- Work smarter not harder

Foster Leadership

- Enable more leaders, not more followers
- Have a winning mentality
- Solutions driven to challenges
