COMPATIBILITY AND SERIAL NUMBERS

- The D9T Track Group part number **3794044** is specifically designed for the Caterpillar D9T/R/N Dozers

IMPORTANCE OF PROPER FIT

Ensuring that the track group fits your bulldozer's serial number is crucial for machine performance and safety. Incorrect fitting can lead to premature wear, increased maintenance costs, and potential operational hazards. Always refer to the manufacturer's guidelines or consult with a certified Caterpillar representative to verify the fitment for your specific machine.
